

ASA-PA 6th annual Super Saturday Expo.

The date this year is **October 12, 2019** and is being held at

[Automotive Training Center 900 Johnsville Blvd Warminster PA.18974](#)

(Less than 15 minutes from the PA Turnpike.)

The ATC facility is a large Automotive shop. Lifts and shop air are available for Vendors to have access to the easy setup, the ability to use the bays to demonstrate your products and give more exposure to attendees with a redesigned schedule.

This year's training features some of the best National trainers for technicians, managers and shop owners such as **John Thornton, Eric Zeigler, Rick White. Presenting this year's Keynote is Scott Brown CEO of the Diagnostic Network. formerly of the iATN**

The industry leading repair shops attend to support companies like Bolt-On Technologies, Auto Shop Solutions Mitchell Shop Key. These industry leading providers and more have Joined ASA Pa in previous Super Saturday events.

This year we are expecting another large increase in attendance as in previous years. Technicians and shops owners local as well as from mid-west south and west coast will be in attendance. The EXPO floor will provide you with the ability to present your products and services directly to our members and industry. There will also be more time for the attendees to interact with vendors. **This** is the opportunity for sponsorship that offers greater visibility as well as additional opportunities throughout the year to **meet** with our members and industry. Your participation is core to our success, and we look forward to working with you at this year's event. **Together let's Make SUPER SATURDAY great again!**

Premium booth **space is limited is limited. So**, we ask that you review the sponsorship opportunities on the application and contact someone on our team as soon as possible. Early sponsors can receive additional exposure in future advertisements and mailings.

We ask that every vendor please donate an item to be raffled off. Please think outside of the box, with door prizes. Admission to the trade show is Free to industry and trainers.
